

This will be a public meeting hosted by the RI Energy Review Team for Rhode Island city and town officials on the Energy Efficiency Conservation Block Grant (EECBG) stimulus plan elements and will provide an overview of the EECBG conceptual framework and grant process and an opportunity for cities and towns to provide input in lieu of the State submitting its EECBG grant application before the June 25th deadline. An overview on Performance contracting will also be presented.

An overview of the time lines for State Energy Plan funding will also be discussed.

Below is a link to directions and public transportation options
